## GOOD NEWS CLUBS PREPARATION

GNC are weekly Bible studies that are allowed in elementary schools across the nation. Half of the elementary schools in South Carolina have them, but only one is taking place locally. Beginning this fall, the KBA has budgeted funds for the 2019-20 school year so we can have a GNC in every elementary school at no cost to your church. Your church will need to provide 8-10 volunteers (or combine with another church). KBA will provide all training, literature and funding for the school year. As of May 1, many of our KCSD elementary schools are being "claimed" by our churches, but not all.

**Please take note of this date: Saturday, August 17. The state GNC team will be here to train our churches on implementing a GNC in their school, so you will need to have your church team present.**

More details will soon follow. Please be praying about this as we seek to win the next generation to Christ! You can go to the website of Child Evangelism Fellowship, [www.cefonline.com](http://www.cefonline.com) and learn more. Contact Ron for more information.
