January 1, 2020

Dear KBA Family,

Happy New Year to you, your family and your church family! I hope and pray 2020 is the very best year of your lives as you seek to glorify our great God in every way. And this year, even glorify Him in ways you've never done before! I look forward to our working together to see this happen.

After much prayer, however, I feel led to share a burden that is on my heart for you as a Pastor, staff member or leader in your church. I'm greatly concerned that too many are not taking advantage of the ministry and ministry tools that KBA offers. The KBA exists to help your ministry and your church thrive to be the very best possible in providing worship, discipleship, fellowship, soul-winning and mission opportunities. The Claude King workshop and the efforts to implement Good News Clubs in our elementary schools are but a couple of our most recent efforts.

At the recent fall meeting of the KBA, many of us heard the representative from the S.C. Baptist Convention comment that we are among the best and most active Associations in the state, "if not the best." While we give all the glory to God, hopefully, this tells us that we have an Associational ministry worth supporting in every way!

Pastors and staff members, I respectfully ask you to go ahead and pencil our Pastors Conferences and the many other opportunities into your schedule as key appointments. Church leaders, I humbly ask you to faithfully support the various KBA meetings and ministries, leading your church to provide the best involvement and support possible. A tentative 2020 calendar is provided with this letter to help you do this. As Acts 2:42 teaches us, may we all work together more closely, helping one another to have the vision, support, tools and faith to minister in new and innovative ways in reaching our ever-changing communities.

The staff of the KBA vows to continue to offer you the best support possible and strives daily to provide a highly competent ministry worth supporting, that the bride of Christ, His Church, will be holy, perfect and spotless when He returns!
